Notes: *A New Life* (previously titled *Revival and Beyond*) first came out in 1972. It is a companion book to *Steps to Christ* and offers “further guidance toward a life of genuine revival and reformation” (pg. 5). “It is not the purpose of this book to pass judgment on the popular revivals of today.... It is the purpose of this book, rather, to consider certain criteria that help one to distinguish between the true and the false” (pg. 3). “The word of God and the counsels of Ellen White lead us to the conclusion that we are *justified* by faith and *accepting* Christ, but we are *sanctified* by faith and *obedience*. The truly born-again Christian not only *talks* about, but *lives* a life that testifies that he is, in fact, a follower of the Lord Jesus Christ” (pg. 2).

The numbers in parentheses () at the end of the sentences are to the pages where the answers may be found.
